Emergency Student Fund

SGA is thrilled to announce that we are selling exclusive USAO sweatshirts, beanies, fanny packs, and scrunchies to raise money for President Hale's Emergency Student Fund, a secret budget designed to assist enrolled students with emergencies.

The USAO Foundation Office have pledged to match our donations, doubling the impact this initiative has on our students! If you would like to purchase an item, visit the Dean of Students' Office on Lawson Clubhouse 2nd floor!

C-Store & Daily Grind Now Open Weekends

A recent survey conducted by SGA garnered 130+ student responses asking Sodexo to consider changing the hours of the campus convenience store (known as the C-Store) and the campus Starbucks (Daily Grind) to open during weekends.

Jennifer Warren, USAO Sodexo General Manager listened to our feedback and these services will now be open on weekends! The Daily Grind will open 10am-3pm Sat & Sun, and the C-Store opens 9am-5pm Sat & 12pm-5pm Sun.
